Over 2,000 Democratic Precinct Election Boards, 119 Democratic County Election Boards, and a solidly Democratic State Election Board—every one the creation of Mr. Goebel or his agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 7th, 1899.

William S. Taylor.....193,714
William Goebel.....191,331

Taylor's Plurality.....2,383

The Goebel Law is the most fitting monument that GOEBEL could have.

Ten cent cotton was touched under a Republican Administration that opened the mills.

There are people who do not boast of what they have done—for the reason that they have never done anything.

A REPUBLICAN surplus of \$81,229,776 in time of war is better than a Democratic deficit of \$146,702,915 in time of peace.

The repeal of the Goebel Law by the men who have become its beneficiaries would be a wanton insult to the memory of GOEBEL.

Four years ago the Democratic party favored an income tax. This year it didn't. There are too many Democratic millionaires now.

JUDGE TUAN CANTRILL at Georgetown is keeping up the Chinese end of the string in Kentucky, ably assisted by TOM SCOUNDREL, chief boxer.

We favor Expansion by every peaceful and legitimate means.—Democratic Platform.

Such as the Democratic War in New Mexico in 1846 and 1847, for instance.

No. 2 SPRING wheat sold in Chicago at 88¢ last month, as against 61½¢ in June, 1896. Why make a change back to the Democratic Administration and prices?

WOULDN'T you rather sell corn at 43¢ in Chicago than at 28½¢? The former was last month's price. The latter and the lower figure was the Democratic price in June, 1896.

POTATOES sold at 28¢ a bushel in Chicago on June 1, 1896, under the threat of 16 to 1. They sold at 40¢ on the same date this year. The increase was 43¢ under the Gold Standard.

MR. BRYAN is so opposed to McKINLEY becoming an Emperor that he has been working for years to secure the scepter for himself. He has already proven himself to be a pretty good boss.

THE learned Detectives and TOM SCOUNDREL the "Snitch" have been trying for nearly six months to find out who killed GOEBEL; but everybody knew in thirty minutes who killed JOHN SANDFORD.

SINCE McKINLEY became President the farmers of the United States have lost nearly \$2,000,000,000 through the decline in prices of farm products.—Cynthiana Democrat.

That's a baldheaded campaign lie. There isn't a single agricultural product that has not brought a better price under McKINLEY than it did under CLEVELAND. But we forgot. Farm products are made by Bryan Editors instead of being raised by farmers.

THIS estimate of TOM CAMPBELL is given by The Paris Gazette, a paper which carries the National Democratic ticket at its masthead, and whose Editor is a lawyer:

"TOM CAMPBELL—well known to the police of New York—is the head and front of the prosecution at Georgetown. It is simply a reflection upon the Commonwealth that such a man is employed in such a case. A verdict against the accused upon the testimony of men who have had any connection with TOM CAMPBELL should be looked upon with suspicion by every thoughtful man in this Commonwealth. Be it remembered that this is the same TOM CAMPBELL who caused the riot in Cincinnati in which seventy men lost their lives, many of them from this state. No man would employ such an attorney unless he intended to resort to chicanery to gain his ends."

In the last six months hogs have advanced \$3 a head. Apply this to 50,000,000 hogs and there is a profit of \$150,000,000 for Western farmers. This is better than Wall street. It is a sure thing, the result of Prosperity.

It is better to know that wool is selling at 30¢ a pound in Boston and New York than to bother your head with a lot of rubbish about "Imperialism," which is only another Democratic way of checking our export trade.

If elected, will JOHN W. YERKES issue a requisition on the Governor of Indiana for the return to this state of the notorious fugitives from justice, W. S. TAYLOR and CHARLES FINLEY? —Paris Democrat.

When Mr. YERKES is elected Governor of Kentucky there will be no necessity for a "requisition" to return those "notorious fugitives" from injustice. They will then be sure of that protection to which the law entitles every citizen, and which is now denied by the unscrupulous usurpers at Frankfort.

Mr. Fred W. Bauer, job printer, of 4 East Second street, says:

"For a year or more I had considerable pain in my back. The secretions from the kidneys were dark, and there was some inflammation of the bladder, evidenced by a sensation of scalding. Doan's Kidney Pills came to my knowledge and I procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. The treatment soon restored the kidney secretions to a natural color, ended the inflammation and banished the pain from my back. If a cold or any other cause should bring on a recurrence I now know what to use."

THE COMMONWEALTH.

NOTHING SENSATIONAL.

Another Uninteresting Day in the Trial of Caleb Powers at the Georgetown, Ky.

Frankfort, Ky., July 26.—It was another comparatively uninteresting day in the Powers trial, very little of a sensational nature being developed. McKenzie Todd, who was Gov. Taylor's private secretary, was the principal witness, while his testimony in a degree reflected on Henry Yontsey, one of the defendants, it was favorable to Powers, the defendant on trial.

Georgetown and Scott county are excited over a report that several hundred of Powers' mountain friends will arrive here Monday or Tuesday and they fear that trouble may occur in that event.

The prosecution has many of its important witnesses, who have not yet been heard, F. Wharton Golden, Detectives Armstrong and Harding, Walter Bronston and a number of others, but it is believed that side will raise their testimony in chief Saturday.

A representative of the prosecution said that that side was well pleased with the evidence it had brought out. The defense will admit Powers' connection with the organization of the 1,200 mountaineers, who came to Frankfort January 23, and who, after stacking their rifles in the state buildings, held a mass meeting in front of the capitol, but will introduce proof to show that the body of men though armed came in good faith to petition the legislature and with no intention of intimidation.

An Important Decision.

Louisville, Ky., July 26.—Judge Field, of the common pleas court, handed down an opinion in the case of John Henry Wilson against Judge William L. Brown, in which he held that there had been no election last November in the Twenty-seventh judicial district of Kentucky for circuit judge. Under the decision Judge Wilson, who claimed to have been elected, and who attempted to hold court, will have to vacate and Judge W. L. Brown, who was appointed by Gov. Bradley to fill an unexpired term, will hold on.

Went to Jail for Ten Days.

Lexington, Ky., July 26.—Maj. T. J. Carson, owner of Dixiana stock farm, one of the most noted breeders in the county, went to jail on a capias to remain there ten days necessary to taking the insolvent debtor's oath. In 1899 Carson shot and wounded W. E. Singleton, a Teral photographer, who sued him for \$5,000 and got a judgment against him. He refused to pay and took this course to keep from paying it.

Boat Damaged By Wind.

Warsaw, Ky., July 26.—A heavy wind storm struck this place, doing considerable damage. The cabin on the wharfbat was wrecked, but no one was injured, though there was quite a number of passengers aboard. The storm seemed to be chiefly on the river and did not extend over half a mile in width. Quite a number of trees were blown down and most of the fruit trees were stripped of the fruit.

Colored Citizens Aroused.

Middlesboro, Ky., July 26.—Mamie Young, an 11-year-old colored girl, was assaulted here by George Eaton, a young white boy, and she is now in a serious condition. Eaton escaped to Virginia and was captured at Norton, where he is being held awaiting a requisition from Gov. Beckham, when he will be brought back to this state. The colored citizens are very indignant over the affair.

Probably No Extra Session.

Frankfort, Ky., July 26.—Gov. Beckham returned from Bardonia and found on his desk an immense list of applications for pardons. Gov. Beckham's friends do not care to discuss the prospects of an extra session, and the belief grows stronger here that it will not be called. Some state it as a certainty that there will be no extra session.

Boreing Renominated.

London, Ky., July 26.—The republican committee of the Eleventh congressional district has renominated Congressman Vincent Boreing for a second term. No opposition appearing, the primary was called off and Boreing declared the nominee.

A Big Land Trade.

Elizabethtown, Ky., July 26.—The largest land deal in this county for a long time took place here when Thomas S. Gardner bought 115 acres near the fair grounds from Dr. Will Allen Passy for \$70 an acre. There are no improvements on the land.

After a Big Industry.

Paducah, Ky., July 26.—The Commercial club is considering the proposition of an eastern iron working concern which desires to locate here and invest \$1,000,000, employing 2,400 to 5,000 men, in consideration for which the city must give \$100,000.

New Kentucky Post Office.

Washington, July 26.—A post office has been established at Bar Creek, Clay county, Ky., with Elijah Herd as postmaster.

Kentucky Post Offices Discontinued.

Washington, July 26.—Post offices in Kentucky discontinued as follows: Banty, Floyd county; Ireland, Cumberland county.

Haggins Buys More Land.

Lexington, Ky., July 26.—J. B. Haggins has added 1,541 acres to the El-mendorf stud. It was purchased in three plots and cost him \$138,744.

COAL FLIES!

IN SOME FAMILIES.

Not by reason of carelessness or extravagance. It is simply the nature of the Coal. Good coal and good stoves are necessities, but not worth anything for heating purposes. See that such coal is not used in your home. Buy your fuel here and it is certain to be good. It is the coal of the Chesapeake-Kanawha Coal and all other grades never enter a word of complaint. It is the coal that burns promptly, and we consider that a mighty good sign. For sale on y y
